December 2018

Dear Friends of Teresian House,

As Thanksgiving ushers in the holy season of Christmas, we reflect on the many blessings that the Lord has bestowed upon us- the lessons that our precious residents teach us on a daily basis, the dedication of the Carmelite Sisters and loyal staff to uphold the sanctity of life those residents richly deserve, and the generous support and friendship of our families, board members, and benefactors. It is our mission to continue to promote the core values espoused by Venerable Mother M. Angeline Teresa McCrory, the foundress of the Carmelite Sisters in providing the highest level of care possible to our residents, and your support will help make this possible.

Assuring the best possible care for our elderly residents in a homelike atmosphere continues to be challenging, especially with the nation-wide staffing crisis we are currently experiencing and the need to update our almost 45 year old facility. In giving to this year's Annual Appeal, you will be helping us to purchase staffing software that enhances our ability to track scheduling and productivity of our employees in addition to allowing us to upgrade our facility's physical plant. The monies raised will help us maintain our leadership role in elder care and improve the quality of life of our residents and the effectiveness of our staff.

Over the years all of you have shown endless generosity for which we are forever grateful. In these difficult times when there are so many needs, Teresian House is once again asking for your financial support so that we may continue to promote the mission of the Carmelite Sisters that guides the work done here.

Warmest wishes for a blessed Christmas and may the Infant Savior fill your home with peace, and your heart with hope and love. Asking God's blessing,

Sincerely,

Sr. Robert Mullen
