**Teresian House Third Party Billing Statement**

Teresian House is a participating provider with Medicare and will accept assignment for Medicare Part B services. We bill Medicare for Part A and Part B services. If a resident does not have both Part A and Part B Medicare coverage as primary payor, the Resident/Responsible Party will be billed for any denied or non-covered charges. Payments for these charges are due by the fifteenth of the month for which the bill was sent. It is the sole responsibility of the Resident/Responsible Party to obtain reimbursement from any other sources.
